

DriveRight®

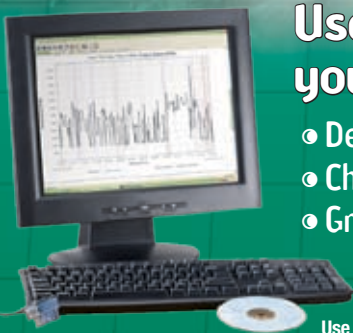

carchip[®] E/X

**Wish you could read
your car's mind?**

**Use with
your PC for:**

- Detailed Analysis
- Charting
- Graphing

Use again and again! Automatically rolls over oldest data, or clear all after downloading.

**Take the guesswork
out of diagnosing
engine problems.**

Plugs instantly into your car
or truck. Continuously logs
performance.

Under the Hood

- Read diagnostic trouble codes.
- Clear your own check engine light.
- Log RPM, O₂ sensors, coolant temp, fuel trim, & more!

Behind the Wheel

- Time & Date
- Speed
- Distance
- Quick Accelerations
- Hard Brakings

**Up to 300 hrs.
of trip details!**
